*(This class is a pre-requisite for the Parent/Baby Dedication. You must be a church member to participate in the dedication.)*

**Celebration Description:**

The Church Ceremony is a time where parents have the opportunity to make meaningful commitments in front of each other and in front of the entire church family. The Ceremony includes a brief bio about each family, the reciting of commitments by dads, moms, and the congregation, and a special time of prayer over the children. Each family receives a gift from the church as a means of remembrance and celebration. This service takes place on Mother's Day each year.
