**Family Celebration:**

Passage to Adulthood Ceremony

**Target Age Range:**

16 Years Old

**The Objective:**

Leading your child in becoming a man or woman

**Parent Seminar:**

This seminar covers topics like: The biblical roles of men and women, parent roles and church roles, spiritually training teenagers, spiritual disciplines, service in the church, and the Passage to Adulthood Ceremony (planning before and follow-up afterwards).

**Celebration Description:**

This Milestone is very important because we parents are called to raise our boys and girls to become men and women of God. The Passage to Adulthood Ceremony is a memorable occasion where the student ceremonially passes from childhood into manhood or womanhood. This is celebrated as a family and often times will include other people who have had a consistent, positive influence in the student's life. The ceremony includes a blessing and symbol given to the student.
