

MILESTONE 6

High School Graduation

Church Ceremony:

Senior Recognition

Family Celebration:

Written Blessing

Target Age Range:

16-18 Years Old

The Objective:

Helping students develop practical and spiritual skills to leave home

Parent Seminar:

This seminar covers topics like: Preparing my student to leave home, the delicate balance of walking beside my student and letting my student go, defending my faith, how to connect with other adults in the church, a biblical understanding of work, and living on mission.

Celebration Description:

The Family Celebration that comes with this Milestone simply capitalizes on the achievement of High School graduation. It is a natural transition period in our student's lives, so let's use this to help them flourish in their walk with the Lord. This Celebration includes a written blessing by parents (and other family members). This serves as confirmation that the student is ready for the next step along their journey. The church also celebrates with these students and families during our Senior Recognition. This service takes place in May each year.
